Re: Trusteeship of Local 80

Dear UGSOA Local 80 Member:

The purpose of this letter is to advise you that the UGSOA International Union has placed UGSOA Local 80 under the trusteeship of the International Union to assume the performance of the collective bargaining agreement, restore democratic process and the legitimate objectives of the Local. As is standard procedure with trusteeships, UGSOA has removed all of Local 80's officers and stewards and replaced them with temporary representatives from the International. At this point, Donna Huff, Director of UGSOA's CSO Division, is the Trustee and Gregory I. Greene, CSO at the U.S. District Court, is the Trustee's Representative.

Under the laws and regulations governing union trusteeships, UGSOA will be holding a hearing in May to review the evidence supporting imposing the trusteeship. Assuming the evidence supports continuing the trusteeship, the trusteeship will remain in effect until elections for new officers can be held. UGSOA expects to hold elections within six months after the hearing. After elections, UGSOA Local 80 will resume control of all of the functions as it did in the past.

It is likely that many of you have questions about Local 80 and the trusteeship. As such, the UGSOA will be holding a meeting for all those in the bargaining units represented by Local 80 and to answer your questions regarding this matter. The meeting will occur in the near future and before the trusteeship hearing. You will be notified shortly as to the time and place for the meeting.

In the meantime, if you have any immediate concerns or questions about the collective bargaining agreement, the terms and conditions of your employment or if you have been disciplined or are the subject of an investigation that might lead to discipline, please contact Donna Huff and/or Tom Dove, who can be reached at (800) 572-6103 or via e-mail at dhuff@ugsoa.com, or Gregory ("G.I.") Greene, who can be reached at tel. (301) 875-2224, or via e-mail at ggreene95@yahoo.com.

Sincerely,

Desiree Sullivan
President, UGSOA International Union
